Rules of Play

Addendum for 4-Team Divisions

4-team divisions will only have 18 weeks of play, rather than the 20 weeks for standard 6-team divisions. This results in 6 3-week legs rather than 4 5-week legs.

Team Weekly Dues - Each team shall be responsible for paying the first week and last week of dart dues the opening night of dart play, \$40 per team. During weeks 2 thru 17, weekly dues are \$20.00 per team per match (Money Order or Check by ED of CC member). Dues may be paid in full for a season up to the end of the first leg. Money Orders are preferred for entire season payment.

Week 1	\$360.00
Week 2	\$340.00
Week 3	\$320.00

Teams may also pay per leg for a total of \$60.00 per leg. Check or money order. However, at any point during the season a team changes from paying by the leg to by the week, that team must also pay for the last week of play.
